Dear Commission,

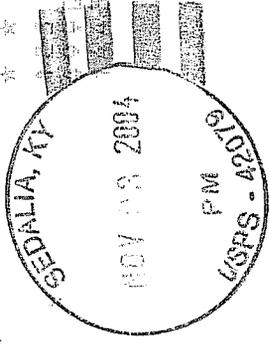

Enclosed is the information you have requested concerning case number 2004-~~001080~~. 180

1. A. Sedalia does provide general water service to Vegan Metal.
 - B. 1. Service is provided by a service line from the main.
 2. The service line is on the same main that provides fire protection.
 3. Twenty dollars a month.
 - C. 1969.
2. The district was not aware that the county Judge executive and Fiscal Court had the authority to set the amount of compensation for commissioners, which is why we inquired about it during the PSC inspection. We will request that the Fiscal Court set the salary. At this time, we will ask to withdraw our request to you for this.
3. Bob McClain (owner of Bob and Ann's Market) has stated that he did not wish to be compensated for allowing payments to be collected at his store.
4. Not paying a monthly fee is one less check to write, one less bill to print, one less payment to collect. If the PSC wishes for Bob and Ann has to be billed for their water service the district will bill them. If the store wishes to be compensated for collecting payments they may charge more than the district charges them for water, in which case the district comes out behind financially.

Sincerely,

Sedalia Water District
Eric Young- Manager
